Dr. Harmon C. McAllister
Associate Research Director
Council for Tobacco Research-U.S.A., Inc.
900 Third Avenue
New York, NY 10022

Dear Dr. McAllister:

The UF Division of Sponsored Research distributes program information to all faculty members interested in fellowships, research grants and contract opportunities. In order to have the most current information available, we would like to order information about the grants program of the Council.

If possible, please send me three sets of application materials, program guidelines and any other information pertinent to the program.

Thank you for your assistance.

Sincerely,

Carol V. Bryan
